PICTURE PERFECT

Prepare your home for professional photos. Because although you shouldn't judge a book by its cover, first impressions matter. And we want your home to make a lasting one.

INSIDE:

- Do a deep clean of all visible surfaces – countertops, cabinets, bathtub, sinks, floors.
- Hang clean towels & declutter the bathroom - loofas, toiletries, mats.
- Make the beds nicely (white or plain linen is ideal & we have a set if needed).
- Replace dead lightbulbs
- Remove kitchen clutter- fridge magnets & pictures, food on the counter, utensils.
- Declutter the living room – kids toys, family pictures, games, knickknacks
- Declutter the bar, pantry, mudroom, closets & other storage areas
- And remember to hide anything personal you don't want photographed.

OUTSIDE:

- Cut the grass and trim any hedges
- Clean the pool
- Sweep away leaves from the walkways and the patio
- Wipe down all the patio furniture
- Remove the cover and clean the BBQ
- Hide kid's toys, pet items and other clutter.
- And don't forget about the garage.

PICTURE DAY:

- Open all the blinds, curtains, and hurricane shutters.
- And take care of the small details - tuck in chairs, fold blankets, close the toilet seat.
